

- 全世界的年轻人都痴迷电子产品。
- 在过去那个科技不够发达的年代，成年人绞尽脑汁发明一些工具去给孩子娱乐。
- 当父母忙于家务没有时间照看孩子的时候，大量的电子产品会让孩子安静下来，减轻他们应付孩子的压力。
- 只有当他们在学校里成绩不好了父母才意识到问题的重要性。
- 不太能比较现在父母教育和过去的区别，因为这两代父母面临的困难都不一样。

- 全世界的年轻人都痴迷电子产品。

Electronic products have become a global obsession among young people.

- 在过去那个科技不够发达的年代，成年人绞尽脑汁发明一些工具去给孩子娱乐。

In the past when technology was less available, adults used to rack their brains to invent tools to keep their children entertained.

- 当父母忙于家务没有时间照看孩子的时候，大量的电子产品会让孩子安静下来，减轻他们应付孩子的压力。

The huge variety of electronic products reduces such pressure by keeping their children occupied while they are busy with housework and do not have the time to take care of their children.

- 只有当他们在学校里成绩不好了父母才意识到问题的重要性。

Not until they get lower grades at school do parents begin to realize the magnitude of the problem.

- 不太能比较现在父母教育和过去的区别，因为这两代父母面临的困难都不一样。

It is impossible to sufficiently compare the parenting work today with that in the past because these two generations of parents are subject to various difficulties.
