

- 在我们一生中需要做很多重要的决定，比如选择什么大学，什么工作以及什么人去共度余生。
- 高明的决策需要多方面的考虑。
- 如果社交圈比较局限的话，我们的认知会产生偏差。
- 更糟糕的是，如果我们有两个及以上的不同意见，有可能引起纠结。
- 最好的决定并不一定是用很复杂的方式做出来的。

- 尽管我们可以从和自己同等水平的同龄人那边学到很多东西，但是经验丰富的成年人会教我们更多。

Although we do learn a great deal from peers who are at about the same level, more experienced adults can help us learn more.

- 和老师一下课就离开教室相比，同龄人在学校里朝夕相处，甚至在学校外也是。

Unlike teachers who leave the classroom once the class is over, peers stay with one another for the entire school time and even beyond the school environment.

- 很多父母想要送孩子去最好的学校，不管学费有多贵。

Many parents want to send their children to the best schools, regardless of tuition fees they must pay.

- 名校能够提供的不仅仅是优秀学生的竞争压力，而且还是杰出的院系对相关学科的深入理解。

What a prestigious university can offer are not only excellent fellow students with whom one must compete but also distinguished faculties who can help us gain an insight into the related industries.

- 相比那些仅仅说一些自己知道的事情的人，年轻人更加愿意听那些他们佩服的人说的话。

Young people are more likely to listen to people they admire than those whose words are already known.
