Although technology may have negative effects on children, I do not think that their creativity suffers from technological advances.

- 本世纪初出生的人不用经历相同的困难，而且他们享有各种不同的玩具。

Those who were born in the beginning of this century do not have to go through the same trouble, and are blessed with an abundance of toys of various kinds.

- 各种应用专门为年轻玩家设计，他们可以用来绘画或玩乐器。

Multiple applications are designed exclusively for younger players, through which they can draw, paint, or play musical instruments.

- 当他们在脸书或者推特之类的社交网站分享自己的作品的时候，他们会得到来自他人积极的鼓励然后创造更多东西

By sharing their works on social networking websites such as Facebook or Twitter, they are encouraged by others' positive feedback to create even more.

- 和上一代人相比，现在的学生可以看到很多纪录片和科教片，这些都可以拓展视野开阔思维。

Compared with the past generations, students now can watch many documentaries and science-fiction films which broaden their horizons and open their minds.
