

Films have witnessed **【an】** unprecedented boom in recent years, and watching movies has always been one of the hottest **topics** **【用词不够准确, movies 可以用 topics, watching movies 是一种娱乐活动 entertainment】** in individuals' daily life. Among these popular film **productions** **【类别 categories】**, serious movies and entertainment movies are most influential. When youngsters consult parents which movie should they watch, parents always get in a dilemma, without a reasonable suggestion. **【可删除, 首段不需要细写年轻人和家长的具体行动】** There may be one or two advantages **made** by entertaining **【介词结构 advantage of: advantages of watching amusing movies】** movies; **however, I believe serious movies have far more advantages**, truly benefiting the childhood. **【不要缩小写作范围啊, 题干没有说对于小孩子的影响, 首段只需写到有更多的好处即可】**

【首段背景介绍, 但是争论点的引出过分细化, 建议改为 Some people believe that it is better.... However, as far as I am concerned.... 类似的结构即可。此外要特别注意不要缩小论述范围】

To begin with, some minor advantages of— **【改为动词 watching】** entertaining movies include **【including】** that funning movies **【可删除, 点到题干所需要论述范围即可】** **is certainly an excellent way of relief**, especially after children complete lots of coursework. Watching entertaining films puts kids in a pleasant environment, and **【改为从句 which can make them】** forget the huge burden coming from huge **【amount of】** daily work or peer competition. However, addiction to **【题干并没有说上瘾, 但是同学可以说大量看这类音频 an excessive amount of】** funning movies may **lure** children away from lessons. **【没展开充分, 注意力转移, 学习效率低下, 学习成绩下降. Therefore, as they are distracted by those entertaining movies, their study efficiency will decrease and their academic performance will be on the downgrade. 每况愈下】** To free children's mental stress in a positive way, doing some physical exercise is also recommendable, such as playing basketball, badminton and so on. **【不需要拓展到其他有助于缓解健康的方式】**

【这一段实际上是个让步段。先说一下 watching amusing movies 有好处, 再削弱, 说大量看这类影片实际上是有坏处的。逻辑上是可以的, 但是注意衔接手段要使用到位。可以用 although 尽管来表转折。另外同学缩小了论述范围, 导致分论点的论述对象都是 children, 却忽略了 adults 的内容。其实可以按照成年人和小孩分别作为两个分论点进行讨论, 小孩最终影响是学习成绩下降, 而成年人可以说不利于他们的进取精神, 长此以往不利于职业发展。可以用虚拟语气作为假设论证手段 if they get used to watching entertaining movies, they will be less aggressive, which may in turn do harm to their job performance.】

Even though there may be one or two advantages of entertaining movies, **【可以用 On the other hand 作为衔接词】** the advantages of serious movies far outweigh them **【代词一定要明确指代对象, 这里可改为 the disadvantages】**. Contents in serious films can **well educate and positively guide** children in their growing path **【不够地道, 可改为 during their growth】**. In serious films, a majority of contents focus **【focuses】** on the real life of low social class, which describes their spirit of never giving up and optimistic attitude in fighting with difficulties. On growing path **【When they grow up】**, children are likely to encounter trouble. Some excellent serious movies could be the

lifelong instructor and bring kids powerful mental power. 【这里逻辑思路不是很连贯。先说 When children grow up, they will face troubles. And the contents in serious movies could be.....再解释 because a majority of those contents focuses on】 For example, [能举例很好] the movie The [In] Pursuit of Happiness, nomination of Oscar Award, describes the struggling life of an African American man, Will Smith [Will Smith 是演员的名字, 不是角色的名字, 可不写, 或者说 played by Will Smith], who was at a bottom of his life with a little kid to nourish [raise, 养育孩子], his wife left, and [he had] negligible income. 【例子没有展开完整, 你只是介绍了这个电影的背景人物, 但是结果是什么, 为什么它能够激励你没有说清楚。建议缩写背景介绍, 加上最后总结如 Through his own efforts, he managed to... in the end.】 Once I feel powerless to fight with hardship, the movie ~~and Will Smith~~ will provide [me] with the encouragement and boost my motivation. [这一段写的是严肃电影的好处是 educate and guide people. 这一段的论证手段是举证, 但是例子没有举完整, 即这个电影为什么能够激励你成长没有说清楚。且前半部分的解释逻辑不够连贯, 一般在英语写作中先写果, 再用 as/because/since 写原因]

Another advantage is that serious movies provide an excellent opportunity for children to comprehend a vast amount of knowledge and experience. 【主旨句清晰, 但是还是缩小了论述范围】 A plenty of [serious] movies would record the social reality of [during] various history period [periods] among the whole [of the] world 【几个介词都用的不是很到位, 世界上的各个历史阶段中发生的社会现象】. For example, the movie Gone with the wind, a ~~most~~ popular movie starring Clark Gable and Vivien Leigh, presents a story during the Civil War. The social realities during that period in history were vividly shown in the plots. Except for the reality, [Apart from that] the movie The Wolf of Wall Street, teaches children [people] lots of financial knowledge and trading techniques, which absolutely 【绝对化, 有主观倾向的用词可删】 broaden [broadens] the horizons.

【这一段主旨句清晰, 但是同样以 children 作为全部的论述对象, 缩小了论述范围。建议把 children 改为 people. 同时, 复合句中的介词使用不够到位, 对于文章的连贯度有削弱】

Although I agree with a couple of advantages provided by entertaining movies, I believe that the merits encompassed within serious movies are more obvious. Serious movies not only convey a positive attitude towards children [people] 's life, but also describe the social realities enriching children [people] knowledge. Therefore, according to my preference, I express my appreciation for serious movies. 【尾段两次重申了自己的观点, 未免显得累赘】

【尾段能够总结全文自己的分论点, 并重申己方观点。但是比较啰嗦, 建议加入衔接词如 All in all, although there are a couple of advantages provided by entertaining movies, the serious movies bring people more benefits, including teaching people to be positive and enriching their minds.】

老师点评：

Task response:

针对话题完成写作任务的完成度有限：

虽然观点表达明确，但是论证的展开不够充分，例证没有完全展开；

且题干关键词的回应不够准确，有缩小论述主体范围；

首段出现了无关内容，不需要细化到具体动作，而尾段则有赘述，不够精简。

Organization and development:

整体结构形式清晰完整，总分总五段式结构。

Unity, progression and coherence:

能够使用一定的衔接手段，但是衔接词的准确程度有待提高；

上下文的语言组织要层层递进，逻辑要严密。

Use of language:

用词有一定的灵活性和丰富程度。

但是词汇和语法上也有一定的问题，如一致性问题 and 介词问题等。

Strength:

1. 例证丰富。
2. 用词有一定的灵活性。

To be improved:

题干关键词的把握，题干论述范围要定位准确。

分论点的论证：论述展开的充分程度和逻辑连贯程度。

句式表述的流畅程度和地道程度。

用词句法的精准程度。

学的举例丰富，看得出平时对于电影有一定的研究。但是内容上有赘述，语言还需要精简。

此外，建议同学在分论点展开前再次审题，以确保论述范围准确。
