当今社会中,人们有各种各样的选择,我们也能发现各种不同的生活方式。

In contemporary society, people are exposed to multiple choices and we can discover vastly different lifestyle.

• 尽管大多数人还是在做自己爱做的事情,但如果他们真的 把个人幸福放在第一位的话,也会造成极端的后果。

While most people are doing what they have to do, those who put personal happiness before everything else will face dire consequences.

• 成年人必须工作来撑起家庭,特别是当他们孩子出生以后,亚历山大。

Adults have to work to support their families and their pressure is especially intense when children are born.

• 夫妻双方都出去工作并不少见,甚至还身兼多职来平衡收支。

It is not rare that both parents work and that some even have to juggle several jobs to make ends meet.

• 这些都不是他们真正想做的事情,但是他们也没办法去改变他们的生活因为这是社会对他们的期待。

None of these is exactly what they want but little can they do to change their lifestyle as this is how society expects them to go.
